## **Student Observation Log**

**For observational purposes only!** Idaho state law requires at least **6** hours of student's observing their parents' or other drivers on the road driving. <u>No more than two hours per day.</u>

| Date                    | Drive Details | Minutes | Parent Signature | Student<br>Initials |  |
|-------------------------|---------------|---------|------------------|---------------------|--|
|                         |               |         |                  |                     |  |
|                         |               |         |                  |                     |  |
